

# How and why to register with the AIOBP if you have been certified by an Accredited Provider

## Why you should register with the AIOBP

If you have been certified by an AIOBP accredited provider such as, you are entitled to become a Certified Professional Member of the American Institute of Business Psychology.

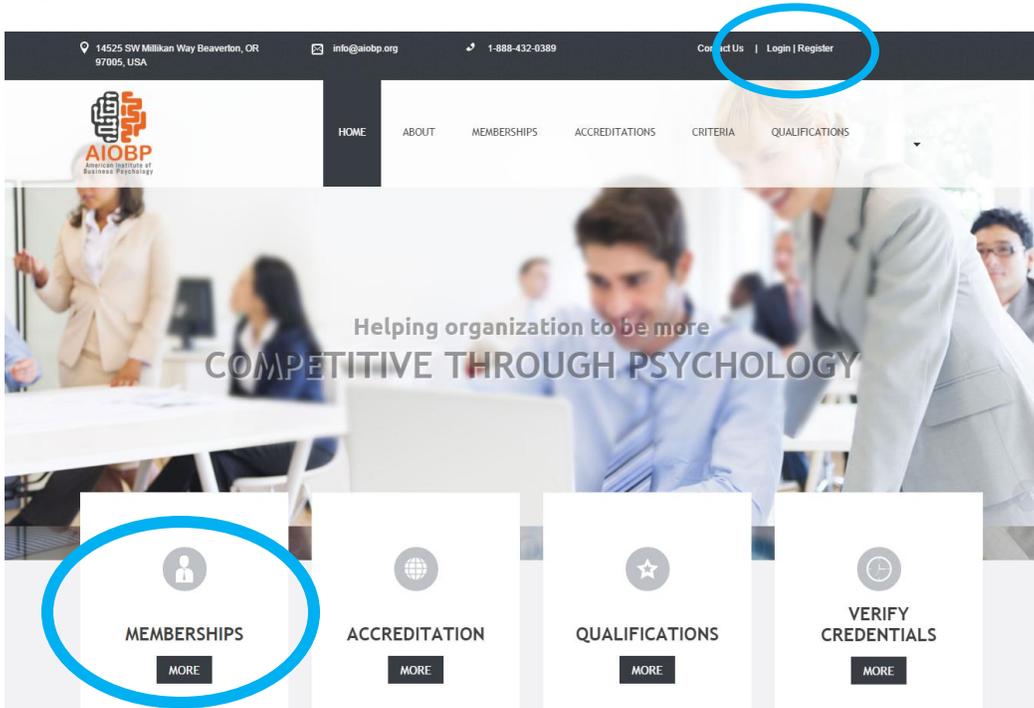

Before joining please ask yourself the following questions:

- Are you using this certification to provide services to others or to advance your career?
- Are you competent in what you learned and were certified in? Can you take an online test?
- Could you benefit from peers, clients, or superiors knowing you are competent in a globally accredited discipline?
- Would you like to be kept up to date on the latest psychology based methods that will help you improve your working environment and life?

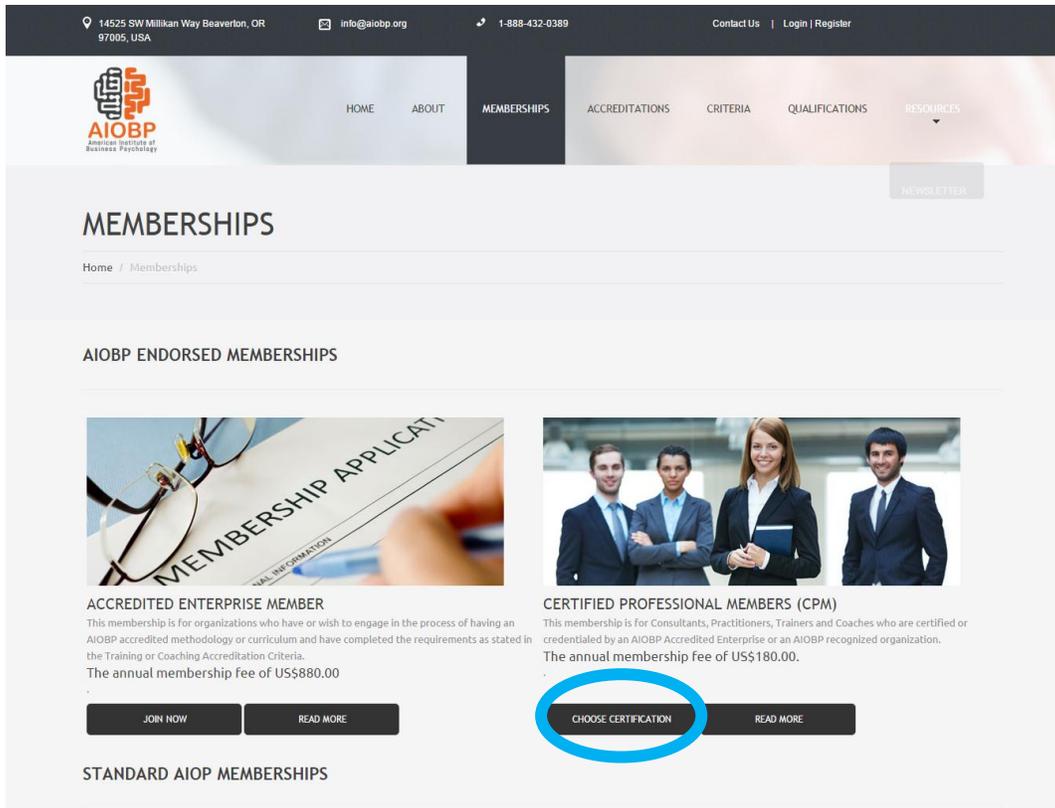

If you have answered yes to one or more of these questions, then **you will benefit** from having a Certified Professional Membership with the AIOBP.

Our goal is to recognize the individuals who have successfully achieved a **high level certification** from a **globally recognized** accredited program or methodology, and assist them to improve credibility and desirability in the business community. We separate those with non-accredited certification from those who have attained **legitimate credentials** with an world class provider.
